There are limited eating facilities at Wingate University so we have worked out a meal plan with the cafeteria. We will pre-pay so they will know how much food to prepare. This plan should provide a pleasant eating experience for everyone attending the tournament. Pre-paid vouchers will be in the registration packet you pick up the day of the tournament.

***Pre-paid vouchers will have priority when entering the cafeteria.**
Cash will be accepted at one line and will be at the higher fee listed on the menu.*

You can, of course, bring your own lunch or go to one of the two fast food restaurants in the town of Wingate.

Note: Because of time constraints Judges can break in line.
